

## Talking Points 2, part 2

### Travel Insurance companies

When it comes to travel insurance, we strongly recommend you seek cover as soon as you book your holiday.

Please do not base your decision making on the cost of the policy, ensure you read the cover the policy offers you.

Please read our leaflet **Talking Points 2 – Travel Insurance** in addition to this leaflet. We also have **Talking Points 1 – Considering Travel**, **Talking Points 4 – Travelling with Parenteral Nutrition within the United Kingdom** and **PINNT Holiday Guidelines** in conjunction with this information.

PINNT does not recommend any specific insurance company, however, we offer you a list of companies that PINNT members used to gain appropriate insurance for their travel.

In addition to the companies listed in **Talking Points 2 – Travel Insurance**, we offer the following companies for you to consider and obtain a quote based on the information we provide in **Talking Points 2 - Travel Insurance**.
