

Meanwhile, on **June 1st 2013 the AGM was held in Cambridge.**

Those present included the Executive Committee, local PINNT members and many from further afield. We were sad to miss some familiar faces due to ill health and hope you'll by now be on the mend and raring to go again! We are grateful to the companies who donated gifts for the tombola and in many cases came along too.

Following the formal AGM we had the afternoon to chat and enjoy being together, which of course is what it's all about! The high-spot was Magician Extraordinaire JeZo who kept us enthralled with his amazing sleight of hand, enticing both adults and children into the limelight to share in the 'magic' of the occasion. We couldn't hold back three of our younger who volunteered to help with the tricks; they had a truly memorable time up on the 'stage'. What a transformation from the quiet children who arrived here! Grownups are usually reticent when it comes to public display, but not in our East Anglian group. Several bravely volunteered without knowing what would become of them, in order to give us all great amusement and hilarity while they were dressed up in all manner of gadgets. What good sports!

The well stocked tombola, the draw for fresh flowers to take home, the team quiz, a new game of guess the number of jelly babies in the jar, balloon modelling and the delicious home made cakes kept us all busy. Hope to see you next time.

Yours,

Sylvia Cottee and Tracy Hill.
